WORMS! VERMIFUGE!

For 20 Years Has Led all Worm Remedies.

Prepared by
JAMES F. BALLARD, St. Louis.

RIPANS

I had been troubled a year, off and on, with constipation, biliousness and sick headaches. Nothing seemed to do me any good. One day a friend asked me what the trouble was. When I told him he recommended RI-PAN-S Tablets. That evening I got a box; and after the second box I began to feel so much relief that I kept on with them. I have Ripans Tablets always in the house now and carry a package of them in my pocket.

One gives relief.

At druggists.
The Five-Cent packet is enough for an ordinary occasion.
The family bottle, 60 cents, contains a supply for a year.

THE HOME GOLD CURE.

An Ingenious Treatment by which Drunkards are Being Cured Daily in Spite of Themselves.

No Noxious Doses. No Weakening of the Nerves. A Pleasant and Positive Cure for the Liqueur Habit.

It is now generally known and understood that Drunkenness is a disease and not weakness. A body filled with poisons and nerves completely shattered by periodic or constant use of intoxicating liquors, requires and antitoxin capable of neutralizing and eradicating this poison, and destroying the craving for intoxicants. Sufferers may now cure themselves at home without publicity or loss of time from business by this wonderful "HOME GOLD CURE," which has been perfected after many years of close study and treatment of inebriates. The faithful use according to directions of this wonderful discovery is positively guaranteed to cure the most obstinate case, no matter how hard a drinker. Our records show the marvelous transformation of thousands of Drunkards into sober, industrious and upright men.

WIVES CURE YOUR HUSBANDS! CHILDREN CURE YOUR FATHERS! This remedy is in no sense a nostrum, but is a specific for this disease only, and is so skillfully devised and prepared that it is thoroughly soluble and pleasant to the taste, so that it can be given in a cup of tea or coffee without the knowledge of the person taking it. Thousands of Drunkards have cured themselves with this priceless remedy, and as many more have been cured and made temperate men by having the "CURE" administered by loving friends and relatives without their knowledge in coffee or tea, and believe today that that they discontinued drinking of their own free will. DO NOT WAIT. Do not be deluded by apparent and misleading "improvement." Drive out the disease at once and for all time. The "HOME GOLD CURE" is sold at the extremely low price of One Dollar, thus placing within reach of everybody a treatment more effective than others costing \$25 to \$50. Full directions accompany each package. Special advice by skilled physicians when requested without extra charge. Sent prepaid to any part of the world on receipt of One Dollar. Address Dept. H22 EDWIN B. GILES & CO., 2330 and 2232 Market Street, Philadelphia.

All correspondence strictly confidential.

WORTHY SUCCESSOR.

"Something New Under the Sun."

All doctors have tried to cure Catarrh by the use of powders, acid gases, inhalers and drugs in paste form. Their powders dry up the mucous membranes causing them to crack open and bleed. The powerful acids used in the inhalers have entirely eaten away the same membranes that their makers have aimed to cure. While these and ointments cannot reach the disease. An old and experienced practitioner who has for many years made a close study and specialty of the treatment of Catarrh, has at last perfected a Treatment which when faithfully used, not only relieves at once, but permanently cures Catarrh, by removing the cause, stopping the discharges, and curing all inflammation. It is the only remedy known to science that actually reaches the afflicted parts. This wonderful remedy is known as "STUFFLES the GUARANTEED CATARRH CURE" and is sold at the extremely low price of One Dollar, each package containing internal and external medicine sufficient for a full month's treatment and everything necessary to its perfect use.

"STUFFLES" is the only perfect Catarrh Cure ever made and is now recognized as the only safe and positive cure for that annoying and disgusting disease. It cures all inflammation quickly and permanently and is also wonderfully quick to relieve Hay Fever or Cold in the Head.

Catarrh when neglected often leads to consumption—"STUFFLES" will save you if you use it at once. It is no ordinary remedy, but a complete treatment which in any form or stage if used according to directions which accompany each package. Don't delay but send for it at once, and write full particulars as to your condition, and you will receive special advice from the discoverer of this wonderful remedy regarding your case without cost to you beyond the regular price of "STUFFLES" the "Guaranteed Catarrh Cure."

Sent prepaid to any address in the United States on receipt of One Dollar. Address Dept. H22 EDWIN B. GILES & COMPANY, 2330 and 2232 Market Street, Philadelphia.

HEALTHY CHILDREN ARE HAPPY.

Mother's Worm Syrup makes children healthy by expelling the worms that make them ill. Children eat it on bread.

It Saved Her Life.

Goose's Mexican Syrup has accomplished a cure in this neighborhood which has astounded the people. Miss Davis was up to die by her attending physician. She had long fever and the doctor said she would die before morning and advised to discontinue his medicine, as she was doing her no good. Her parents had a lot of Quick Relief in the house. They at once began to give the Syrup in doses one hour apart, and frequently bathed her chest with the Quick Relief. Before morning she was better, and before using a few bottles of each she was almost as well as ever. It was almost like raising the dead and has established the reputation of Goose's Mexican Syrup here as a cough remedy. We can sell nothing else.

J. & N. SANDS, Trimble, Athens Co., O.

Goose's Mexican Syrup cures a simple cough as if by magic, and is the best remedy for whooping cough. Price 25 cents.

Nine-Tenths of all the People Suffer from a Diseased Liver.

Before the days of proper safeguards a good many cattle got in the paths of Michigan railroads and were killed outright or so badly injured as to necessitate putting them out of misery. These happenings frequently afforded the owners of the cattle an opportunity to bring suit against the railroad companies, so that the employees were required to be very careful as to details and to keep a strict record of the manner of a cow's death, etc. Regular printed reports of such cases had to be turned in by the section master, who was required to fill out blanks stating the probable age of the deceased animal, weight, color, distinguishing marks and disposition of carcass, the animal being sometimes cut up and sold for beef.

Naturally it was an Irish section "schuperintindher" who, like Finnigan in his terse report of a wreck, simply stated, "Off ag'in, on ag'in—Finnigan," made out the record of a certain bovine tragedy in a characteristic way. Mike guessed pretty well at the age and weight and color of the dead cow, but when he came to the line "disposition of carcass" he scratched his head reflectively.

"Sure," he muttered, "she doled aisy, annyway." Then opposite the line he scrawled, "Kind and gentle."—Detroit Free Press.

What a Daub of Ink Did.

A certain newspaper proprietor had a way of appearing in the composing and press rooms at the most unexpected times, and as his visits often resulted in a general "shakeup" of the working forces of the paper they were awaited with fear and trembling by the employees.

One time one of the pressmen, an excellent workman, who had been there many years, but was sometimes guilty of a lapse of sobriety, had a black eye and was in a quandary as to what excuse he should offer if the proprietor noticed it. By a sudden inspiration he seized an ink roller and daubed some ink on his face, quite covering the discoloration. Presently the governor came in and, with the foreman, went through the room, commenting on every detail and looking very sharply at every workman. When about to leave, he suddenly pointed to the ink pressman and said, "What is that man's name?"

The man quaked in his shoes until he continued slowly: "I want you to give that man 5 shillings a week more wages." He is the only man in the room who looks as if he had been working.

Something to Brace Up On.

It was along about noon when a well dressed man lined up against the bar. He had the air and looked the part of a high liver, but there was every sign of a bad night. He stretched himself, rubbed his head and said to the bartender:

"I want something to brace up on."

"All right, sir. 'What'll it be?"

"Get the large lemonade glass and break five eggs in it."

Chapman, the bartender, looked at him suspiciously and hesitated.

"That's what I want," he ordered.

Chapman broke five raw eggs in the glass and waited for further orders.

"Now a pint of champagne."

Chapman opened the bottle, and the customer poured it on top of the eggs and, taking a spoon, stirred the mixture thoroughly and then drank it. Then he paid his bill and walked out.—Cincinnati Commercial Tribune.

Prunes as Medicine.

That the fruit possesses very considerable virtue in this respect is conceded by most eminent authorities, and for this reason as well as on account of their food value they are included among the foods suitable for invalids, children and those whose digestive powers are rather inactive. Their influence is mild, which fact makes them desirable for the not over robust.

A dish of well cooked rice and prunes, made dainty and attractive for serving, is a dish to serve for either a breakfast, luncheon or a dessert, especially for the child or invalid, and should be added especially to our list of hot weather dishes, frequently replacing meat and potatoes and heavy, unseasonable desserts.

A Man of Experience.

"You are quite sure, Uncle Bushrod," she queried, "that Judy has no idea there are only books in there two boxes you took this morning over to the courthouse in the cart?"

"Miss Ma'y," answered the old chap, with dignity, "I done had three wives, an' Judy's de las', I reckon. An' I jes' tell you dis, honey, I don't trus' no colored 'oman's tongue."—Mrs. Burton Harrison in Lippincott's.

Bodily Proportions.

The proportions of the human figure, says an anatomist, are six times the length of the right foot. The face, from the highest point of the forehead, where the hair begins, to the end of the chin, is one-tenth of the whole stature. The hand, from the wrist to the end of the middle finger, is also one-tenth of the total height. From the crown to the nape of the neck is one-twelfth of the stature.

The Original Pair.

Upon one point the disputants are agreed: Man descended from a pair of ancestors. Who they were is not so apparent.—Chicago Tribune.

Happiness is sometimes like a pair of spectacles. While one looks for it it sits astride one's very nose.—New York Times.

If a man saved the ash of all the cigars he smoked, he would have consumed 1,000 before he had a pound of ash.

Speer's Port Grape Wine

Nine Years Old, Burgundy Eight Years Old, and Claret 16 Years Old.

Extensive Wine Cellars.

Storing, Ageing and Racking Wine.

A wine made one year and sold the next is not a proper wine for invalids; to get rid of its coarse and injurious elements requires years for it to lay in wood casks, and by frequent drawing off from its gross sediment, or the coarse parts it becomes rich and mellow and valuable for invalids. It is sudorific, diuretic and blood making from the iron in the soil of the Speer vineyards in Northern N. J.

The principal varieties are the Port, Burgundy, Sherry and Claret and the Climax brandy. All these wines when stored for years and drawn off from time to time in fresh fumigated casks become vastly superior products and necessarily are more expensive. This is why Speer's wines and Brandy are more costly and so far superior to the California wines. They are absolutely pure; unexcelled by any in the world. Speer's wines are ordered by wealthy and refined families in Europe where they are prescribed by physicians and are esteemed for their superiority, velvety roundness, full body and refined flavor. The efficacy of these wines is wonderful. It has been a study and a pride during Mr. Speer's life to produce a wine of the highest grade of perfection—not so much to make money as to excel in getting a wine of the richest character. He has spared no labor, nor expense in bringing his vineyards and wines up to the above high standard of excellence. The Climax *** Brandy twenty years old is equal to the finest French brands.

To be had of Druggists and Grocers who sell high class wines.
